

JOB 090723
HWY. 71 – HWY. 72 (SEL. SECS.) (BENTON CO.) (S)
JULY 31, 2024

Question:

The project manual maintenance of traffic special provision says one 4 mile closure is allowed. Does the Department allow one 4 mile closure in each bound at the same time?

Answer:

A single lane closure in both directions at the same time is allowable as long as active work is also being accomplished in both directions and prior approval is granted by the Engineer.
