Arkansas Highways Newsletter is published bi-monthly by and for employees of the Arkansas State Highway and Transportation Department as a medium of departmental news and other information.

Students present their pasta replica of the Little Mulberry Creek Bridge.

PASTA BRIDGES

Cabot Class Builds Bridge Replicas

Spaghetti. Rigatoni. Lasagne... Not the materials commonly used by AHTD bridge-building crews. But these were the ingredients chosen by the fourth grade Gifted & Talented class of Cabot's Southside Elementary School when they cooked up their own bridge-building project.

To begin the process, Joyce Dalton, the class teacher, had students watch the "Historic Bridges of Arkansas" documentary film which was produced by Arkansas Educational Television Network (AETN) with help from the AHTD. Each child then picked one historic bridge in Arkansas on which to focus their research. From February through May 2013, they gathered data and photos about their chosen bridge. They noted facts like bridge location, design type, total length, deck width and weight limits. Using Google Earth, they located and viewed their bridge online.

Once the information was gathered, each student began building a replica of their chosen bridge. Using different shapes of pasta, modeling clay, rubber bands and glue, they created "pasta bridges" that resembled the actual bridges they researched. During construction, they learned to consider the visual aspects of the bridge, as well as the strength of their structure. On Pasta Bridge Demolition Day, each bridge was tested to see how much weight it could withstand before it collapsed.

This year was the first time Mrs. Dalton had assigned the project to her Gifted & Talented students. She and the students both felt it was a successful learning endeavor, and there are plans to conduct the project again next year with more involvement from the Department. ♦

ADOPT-A-HIGHWAY GROUPS

In Full Swing This Spring

Cass Job Corps Center took part in the annual "Litter Pickup Day on the Pig Trail"

As the trees turned green and the flowers began to bloom this spring, there was nothing more unsightly than the trash that was scattered along the highways.

With the warmer weather, numerous Adopt-A-Highway groups across the State made it a point to get together to do some spring cleaning and picking up of roadside litter.

The Adopt-A-Highway program is made up of 1,615 groups of volunteers who spend a few hours each month volunteering to pick up trash on the roadways. The groups pick up approximately 1,500 cubic yards of trash each year.

In northwest Arkansas, the Adopt-A-Highway group at the Cass Job Corps Center near Turner Bend took part in the annual "Litter Pickup Day on the Pig Trail" on Highway 23 North. Over 150 students and their instructors picked up approximately 200 bags of trash. They covered over 14 miles of highway extending from Cass southward to Interstate 40. The town of Turner Bend hid 28 five-dollar gift certificates along the route for the Corps members to find and redeem at a local store.

ARKANSAS'
ADOPT-A-
HIGHWAY
GROUPS PICK UP
APPROXIMATELY
1,500 CUBIC
YARDS OF TRASH
EACH YEAR.

Over 100 volunteers with the Turner Bend Adopt-A-Highway group turned out on March 2nd for the 22nd Annual Mulberry River Cleanup Day. Volunteers were able to clean Highway 215 from Highway 103 to Highway 23, and Shores Lake Road from Highway 23 to Shores Lake. Some volunteers went to the Mulberry River and cleaned several miles of it as well. At the end of the day, two large trailers were filled with bagged trash, tires and a number of other items thrown on the roadside.

On April 7th, members and family guests of the Cabot Country Cruisers running club picked up one mile of Highway 89 in Cabot. Approximately 30 people from this Adopt-A-Highway group participated.

For Fiscal Year 2011, the Arkansas State Highway and Transportation Department spent \$4,909,586 on litter pick up. The Department's Adopt-A-Highway groups play an important role in the fight against litter. Not only do they make our roadsides a cleaner place, they also help keep the cost of litter pick up down through the work that they do. ♦

AHP SPECIAL OLYMPICS GOLF TOURNAMENT

Set for June 18
at Harbor Oaks

The Arkansas Highway Police will hold the 19th Annual Four-Person Scramble for Special Olympics on June 18th at Harbor Oaks Golf Club in Pine Bluff.

It's time to pull out the golf bag and enjoy the spring weather! The entry fee to participate in the tournament is \$240 per team (\$60 per player). The fee includes green fees, cart, drinks and lunch. Prizes will also be awarded to the first, second and third place teams in each flight.

There will be hole-in-one prizes and participants also have a chance to win one of several valuable door prizes. Lunch will be served at 1:00 p.m.

For more information, contact Yolanda Gomillion at 501-569-2546, or mail your entry to her attention at: Arkansas Highway Police Central Office, P.O. Box 2779, Little Rock, AR 72203.

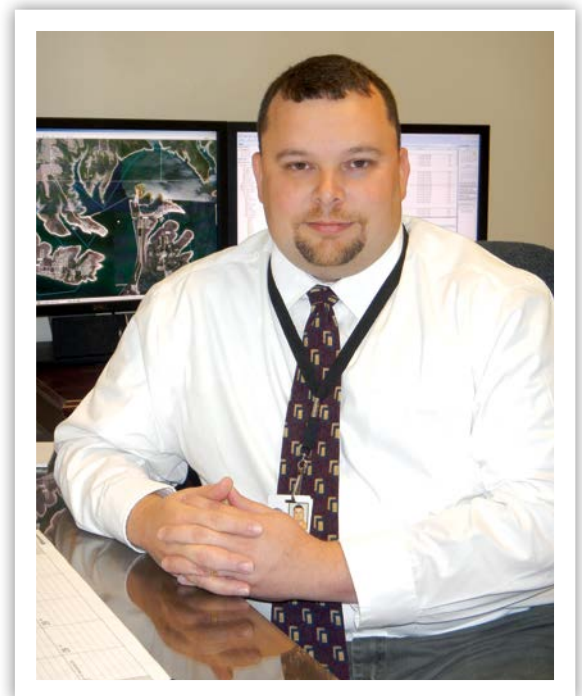

Registration is first come, first served. The entry fee must accompany the registration form. Deadline for entry is June 7th. Come enjoy a day on the golf course while contributing to a good cause, the Special Olympics. ♦

KELLY Named DIVISION HEAD OF SURVEYS

Michael Kelly has been named Division Head of Surveys. The appointment became effective on May 30th. He replaces Kit Carson who recently retired with 41 years of service.

Kelly began work at the Department as a Civil Engineer in the Surveys Division in June of 2002. One year later, he advanced to Civil Engineer I. In May of 2004, Kelly was promoted to Civil Engineer II and then became a Civil Engineer III in May of 2005. He obtained the position of Automated Surveys System Engineer in August of 2007 and was promoted to Staff Surveys Engineer in February of 2008. Previous to his promotion to Division Head he was Assistant Division Head for eight months.

Kelly has a bachelor's degree in Civil Engineering from Louisiana Tech University. He is a Registered Professional Engineer and a Registered Professional Land Surveyor. ♦

Michael Kelly

NEW HIGHWAY 549 TEXARKANA LOOP

Opens to Traffic

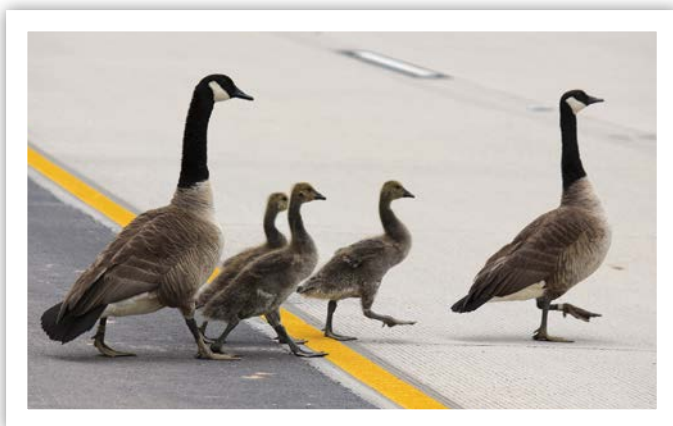

The opening of a new highway on a new location is always exciting. It is an adventure on a new stretch of highway never seen before. New highways can also cut down on travel time between points A and B.

Motorists in Texarkana got their first look at a new section of Highway 549 this spring. A dedication ceremony was held on April 30th on a new stretch that extends from Arkansas Boulevard, across Interstate 30 to Highway 71, north of Texarkana.

Before traffic was allowed, AHTD crews had to unveil new highway signs, remove barricades and clear the area of orange barrels.

Travelers are now using the new highway. But they are not alone. Motorists may have to share the road with a family of Canada Geese that live along the route and tend to use the roadway themselves. Travelers beware! ♦

Upcoming Dates to **REMEMBER**

JUNE 5 // WEDNESDAY

- AHTD Commission Meeting
Central Office, Little Rock, 9:00 a.m.
- AHTD Bid Letting
Central Office, Little Rock, 10:30 a.m. & 2:00 p.m.

SCENIC STATE HIGHWAY 9
SALINE COUNTY

The Arkansas State Highway and Transportation Department (Department) complies with all civil rights provisions of federal statutes and related authorities that prohibited discrimination in programs and activities receiving federal financial assistance. Therefore, the Department does not discriminate on the basis of race, sex, color, age, national origin, religion or disability, in the admission, access to and treatment in Department's programs and activities, as well as the Department's hiring or employment practices. Complaints of alleged discrimination and inquiries regarding the Department's nondiscrimination policies may be directed to EEO/DBE Section Head (ADA/504/Title VI Coordinator), P. O. Box 2261, Little Rock, AR 72203, (501) 569-2298, (Voice/TTY 711), or the following email address: EEO/DBE_Section_Head@ahtd.ar.gov. This notice is available from the ADA/504/Title VI Coordinator in large print, on audiotape and in Braille.
