

ESTIMATED IMPACT OF ISSUE 1 ON CITY AND COUNTY TURNBACK

The table below shows how city and county road budgets will be impacted by the vote on Issue 1 in the November 3, 2020, general election.

If Issue 1 PASSES, funding from the current temporary ½-cent sales tax will become permanent and will continue beyond June 30, 2023, meaning cities and counties will continue to receive turnback revenue from the ½-cent sales tax. In other words, funding levels similar to what are shown in the 2023 column below will continue in 2024 and beyond.

If Issue 1 FAILS, funding from the current temporary ½-cent sales tax will expire on June 30, 2023, and the cities and counties will no longer receive those turnback funds. This will result in an approximate 30 percent reduction in funding to cities and counties for transportation projects as shown in the 2024 column below.

Explanation of turnback funds: By law, the revenues derived from sources dedicated to transportation (motor fuel taxes, vehicle registration fees, the natural gas severance tax, the temporary ½-cent sales tax, etc.) are divided between the state (ARDOT), all cities, and all counties. The state (ARDOT) receives 70 percent of those funds for work on state highways; 15 percent is divided among all incorporated cities in the state for work on city transportation projects; and 15 percent is divided between all the counties for work on county roads and bridges. The 15 percent that goes to cities and counties is referred to as 'turnback funds.'
