

ARKANSAS DEPARTMENT OF TRANSPORTATION (ARDOT) PUBLIC COMMENT FORM

**ARDOT Job Number 101112
South and West Connector Study
Craighead County**

**LOCATION:
Valley View School - Fine Arts Center
2118 Valley View Drive, Jonesboro, AR 72404
4:00 – 7:00 p.m.
Wednesday, December 8, 2021**

The Arkansas Department of Transportation is conducting a planning study to determine the need and feasibility for connectivity improvements to Interstate 555 from South and West Jonesboro.

Individuals, community groups, and other organizations are encouraged to submit comments regarding the study. Please provide your comments on this form at the meeting or mail it by December 29, 2021 to: 10800 Financial Centre Parkway, Suite 500, Little Rock, AR 72211. Alternatively, send the form via e-mail to: SWConnectorJonesboro@Half.com or submit an online comment at www.ardot.gov/planning-studies.

1. What roads within the study area have you observed the most accidents occurring?

2. Are there any other areas that cause you concern from a safety perspective?

3. What is your assessment of the conditions of the current roads within the study area?

4. Where, within the study area, have you seen the most change due to growth?

5. What areas do you believe will experience the most residential development over the next 20 years?

6. Where do you think commercial developments (i.e. restaurants, stores, etc.) will be built in the study area over the next 20 years?

7. Is there anything else (Schools, office parks, industrial areas, etc.) that you think will be built in the study area over the next 20 years?

8. What challenges do you have traveling across the study area? Please describe any priority locations.

9. What could be done to make travel easier?

10. Do you think there's a need for a new or improved roadway through the area south and west of I-555 (Study Area)?

11. Are there any major obstacles within the study area that would prevent a south to west connector from being built?

12. Where within the study area would like to see facilities to promote pedestrian and bike travel?

13. Please note any additional comments here:

(Optional) If you would like to be notified of future public meetings related to this study, please list your contact information below:
