Welcome

FROM THE ARKANSAS STATE HIGHWAY COMMISSION AND ARDOT DIRECTOR

Standing L to R: Commissioner Jerry Halley, Director Jared D. Wiley, P.E., Commissioner David M. Hawk, Seated L to R: Commissioner Marie Holder, Chairman Philip Todd, Vice Chairman Keith Gibson.

Welcome to The Natural State, where the beauty of the great outdoors meets you at every turn. The Arkansas State Highway Commission and Arkansas Department of Transportation are champions of Arkansas' beauty, and we take great pride in maintaining the highways that lead you to some of the most breathtaking landscapes in the country.

Arkansas offers an abundance of outdoor recreation for every traveler. Between taking time to explore the vast regions of the Ozarks, the Ouachitas, the Delta, or the Timberlands, we encourage you to stop by an Arkansas Welcome Center, where you can find maps, travel guides, and friendly faces that will help you make the most of your journey.

As you travel, be sure to take the road less traveled! Some of the most scenic routes in Arkansas run through small towns and quiet highways, like Crowley's Ridge Scenic Byway. This stunning route winds through rolling hills and hardwood forests, offering a unique glimpse into Arkansas' smallest natural region.

Safety is our top priority, and our hardworking ARDOT crews are committed to keeping our highways in top shape. Keep an eye out for orange barrels and digital message boards as you travel our state. We want to ensure everyone gets home safely. If you have questions or need information, our Ask ARDOT customer service portal is here to help!

We're glad you're here and hope you enjoy everything Arkansas has to offer. Safe travels, and happy exploring!

Arkansas

AR/DT

A MESSAGE FROM THE GOVERNOR

As the 47th Governor of Arkansas, it's an honor to welcome you to the state I call home. Soon enough, you're going to realize why we are called The Natural State.

You can find some of Arkansas' finest destinations highlighted, including our 52 State Parks. Our State Parks welcome any visitors and residents free of charge. A family favorite is the Crown of Diamonds - the only public park in the world where you can search for craters in their original volcanic source. But from Mount Magazine, Arkansas' highest point, to the Ozark Folk Center in Mountain View, Arkansas has so much to offer for every member of the family.

You might even recognize some of our state's most famous destinations on this map, like Hot Springs National Park, Bentonville's Crystal Bridges Museum of American Art, and the Pea Ridge and Prairie Grove battlefields. Rain or shine, summer or winter, hot or cold, Arkansas is always the best visit.

And, of course, on this map, you'll find our state road system, which stretches from Blytheville to Texarkana, West Memphis to Fort Smith, and Bentonville to Lake Village. Any of these roads will lead you to our great cities - our friendliness and hospitality that can't be beat. Thank you for visiting the state we know and love. Please enjoy your time in Arkansas and we hope to see you again soon.
