RE: NARTS FFY 2023-2026 TRANSPORTATION IMPROVEMENT PROGRAM (TIP) AMENDMENT #6 APPROVAL

All:

The Northwest Arkansas Regional Planning Commission (NWARPC), in conjunction with Missouri Department of Transportation (MoDOT), Arkansas Department of Transportation (ARDOT), Federal Highway Administration (FHWA), and the Federal Transit Administration (FTA), and Razorback Transit has determined an amendment to the Northwest Arkansas Regional Transportation Study (NARTS) Federal Fiscal Year (FFY) 2023-2026 Transportation Improvement Program (TIP) is necessary to include USDOT SS4A discretionary grant awards, additional MoDOT projects, and modifications to FTA Section 5307 programmed funding allocations.

Both the NARTS TIP and the Arkansas STIP list projects for roadway, bridge, safety, intersection improvement, and transit projects. The NARTS TIP is consistent with the NWA 2045 Metropolitan Transportation Plan (MTP) and the Missouri STIP is consistent with the Statewide Long-Range Plan. The NARTS TIP is a component of the STIP, and as such, the projects, funding amounts, categories, FFY, etc., must match the STIP.
