Statewide Maintenance Aide II	June 14, 2025	VIII	Skilled Craft
Prior Title:	Prior Effective Date:	Grade:	Page:
Initial Distribution			1 of 1

CHARACTERISTICS OF WORK

Under general supervision, this position is responsible for performing various manual labor duties and operating a variety of heavy equipment to support maintenance operations including loading and unloading materials, installing signs, pavement markings, and milling operations.

EXAMPLES OF WORK

The following examples are intended only as illustrations of various types of work performed. No attempt is made to be exhaustive. Related, similar, or other logical duties are performed as assigned. The Department may require employees to perform functions beyond those contained in job descriptions. The Department may modify job descriptions based on Department needs. The Arkansas Department of Transportation is an "at will" employer.

ESSENTIAL JOB FUNCTIONS:

- Transport and drive heavy equipment to job sites and maneuver into safe and efficient working position frequently.
- Operate heavy equipment involved in various maintenance activities such as signing, striping, and pavement profiling.
- Operate single or multi-axle trucks hauling highway construction or maintenance materials frequently.
- Use power equipment as well as small hand tools (such as shovels and rakes) to make repairs to highways frequently and driving sign support posts.
- Flag traffic and perform clean-up duties frequently.
- Pick up litter (including large tires, dead animals, garbage, etc.) occasionally.
- Load, unload and stack signs, bags of glass beads, sand, cement, chemicals, etc. frequently.
- Assist crew members in setting up, moving and taking down signs and cones for work zones.
- Respond to call-out for emergencies 24 hours a day, seven days a week (such as natural disasters, severe weather, traffic accidents, etc.) occasionally.
- Work on strike team during ice and snow removal operations occasionally.
- Occasionally assist District Crews or work in sign shop.

SECONDARY JOB FUNCTIONS:

- Ensure regular preventive maintenance is performed on equipment as well as doing minor repairs and field maintenance as necessary.
- Assist in training employees in the operation of Department vehicles and equipment.

MINIMUM REQUIREMENTS

Education and experience: Ability to read, write and speak the English language sufficiently to converse with the general public, to understand highway traffic signs and signals in the English language, and to make entries on reports and records. Tractor and/or heavy equipment operation experience.

Knowledge, Skills and Abilities: Knowledge of heavy equipment capacities and repair as well as emergency operating procedures. Basic math and computer skills. Ability to communicate effectively with others. Basic knowledge of local street and highway names/numbers. Demonstrated ability to safely operate and maintain vehicles and heavy equipment.

Physical Requirements: Ability to work with hand tools and small power equipment. Ability to climb up and down hills and grades as well as in and out of vehicles and equipment. Ability to stand and walk for extended periods. Ability to lift up to 50 pounds with or without reasonable accommodation.

Initial Distribution		VIII	2 of 2

Working Conditions: Ability to perform assigned duties in all types of weather as well as other work conditions, e.g. noise, dust and fumes. Constant statewide travel ('Constant statewide travel' for this position means overnight travel three to four nights per week depending on project location with reimbursement for expenses).

Licenses, Registrations and Certifications: Valid Class A commercial driver's license (CDL) with tanker ("N") endorsement.

A pre-employment drug/alcohol test will be conducted after a contingent offer of employment or transfer has been made, and prior to the candidate performing any work for the Department in that capacity. Internal applicants who are already in a safety-sensitive position will not be subject to pre-employment drug/alcohol testing; however, offers to internal applicants who are not in a safety-sensitive position will be contingent upon pre-employment drug/alcohol testing. Subject to additional drug/alcohol testing according to the provisions of the ARDOT Drug and Alcohol Testing Program.

("Accredited" means the educational institution or program is accredited by an accrediting organization recognized either by the United States Department of Education or by the Council for Higher Education Accreditation.)
